Leominster High School has always been a special place. As students who have gone through the Leominster Public School System, this is the last step before we embark on the rest of our life's journey. Looking back, nostalgia has set in, and Leominster High School has proved to have an important impact on our lives. The Yearbook Staff, in choosing a theme for the 2006 yearbook, wanted this years book to focus on memories from our past. With that said, the class of 2006 will always be Forever ClasSix.

Class Advisors

Mrs Noone and Mr Kennedy

Dear LHS Class of 2006,

Congratulations! You have accomplished the first goal of your young lives. Now for each of you it is on to bigger and better things. It has been quite an honor for us to watch you grow and mature over these four years. Right from the beginning it was apparent that you are a special group of young adults. You have banded together in times of crisis and shown your true colors during times of need. The world can be a very wonderful and frightening place, and we are absolutely sure that you are all ready to face the joys and challenges that it has to offer. You have added your own personal touches to everything that we have done and that has made everything that you have done for LHS unique and personal. We hope that you remember these four years with a fondness that forever warms your hearts.

The High School chapter of your lives is now over and another is beginning, we hope that wherever your path leads you, you find success and happiness at every turn. Finally, in the words of Henry David Thoreau, "Go confidently in the direction of your dreams. Live the life you have imagined."

Best of luck to all of you!

Linda Noone

Tom Kennedy

Class Officers

Congratulations class of 2006,

With the four years that we have been at Leominster High School, we have truly left a mark as an exceptionally well-rounded class. Each one of us has made noteworthy contributions to the school and community. The talent and ability that each one of us holds has lead to the success that we have achieved as a whole. We have impressed many throughout the community with our demonstration of accomplishments academically, athletically, artistically, and musically. It is now time to say goodbye to Leominster High School, to our faculty, and to each other. Together, we have grown into adults, and together we share a hopeful outlook for the future.

No matter where your life leads you, take these memories with you. In the end, you always go back to the people that were there is the beginning. Life is what you make of it, and make no limits as to what you experience. Don't sell yourself short. Don't make dreams that are too small, but make ones that are too big. Establish yourself as a leader, and learn as much as you can from others. Enjoy the power and beauty of your youth. Strive for your pinnacle of success and achievement. Don't think the sky is the limit; there are footsteps on the moon. Class of 2006, the past four years have been unforgettable. Good luck with everything you do!

Your class officers,

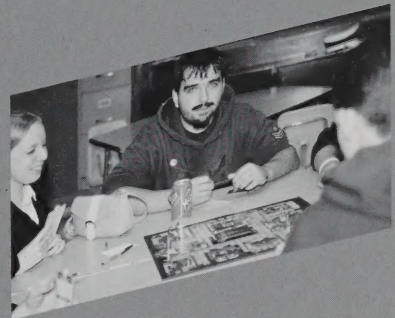

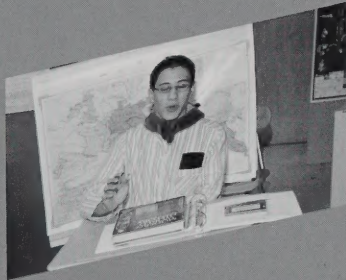

Zachary Callahan, Danielle Boisse, Nidia Fevry, Danielle Colton

Vice President Danielle Colton, President Zachary Callahan, Secretary Danielle Boisse, Treasurer Nidia Fevry.

Class History

Freshman Year

The class of 2006 entered Leominster High School as freshmen in August of 2002. Mr. Coughlin was our Dean. Mrs. Noone and Mr. Kennedy volunteered to be our class advisors. We elected our first class officers President John Lynch, Vice President Michael Petitto, Secretary Niki DeSimini, and Treasurer Nick Swart. All of these people helped guide us through an eventful freshman year. Much to our despair, we were not able to participate in the annual tradition of Freshman-Senior week. We happily elected Kelly Edwardsen and Ross Cordio as our homecoming couple. Many of us were becoming involved with new clubs and sports teams, while some of us took place in the Interclass Play, "Wiley and The Hairy Man." The All School Play was "Arsenic and Old Lace," and the musical was "Anything Goes." At the end of Freshman year everyone was excited to leave the Freshman Academy and enter into the adventures of the following three years.

Sophomore Year

In August of 2003 we returned to school no longer as young freshman, but as confident sophomores. Our school President was Michael Petitto, Vice President was Zack Callahan, Secretary was Danielle Boisse, and our class Treasurer was Nina Daignault. Our sophomore advisors were Mr. Kennedy and Mrs. Noone. It was the first year that the M.C.A.S. was required to be able to graduate from High School. Our school musical was the wonderful production of "Peter Pan" and the All School Play was "Ten Little Indians." The Leominster High School drama group won their way to present "The Princess and The Princess" at the Boston Globe contest. The Interclass Play was "Nobody Sleeps." By the time homecoming came around, Ross Cordio and Krissy Santucci were elected King and Queen of the court. We finally ended another successful year together as the class of 2006.

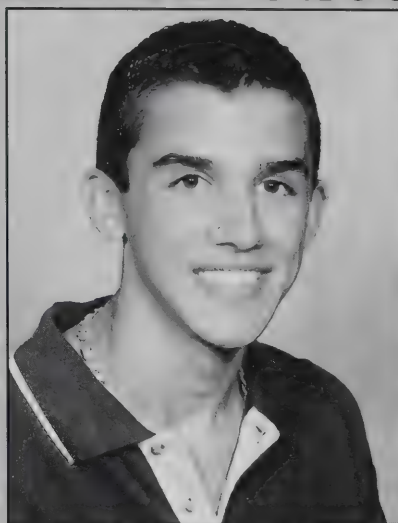

Junior Year

The class of 2006 began its pivotal junior year in August of 2004. This school year brought many significant changes for our class. The pilot small school was implemented, many of us students took the dreaded S.A.T.'s for the first time, and everyone prepared to look at colleges. Our class was lead by President Zack Callahan and Vice President Jasmine Scott. It was organized by Secretary Marissa Itkowsky and fiscally looked after by Treasurer Danielle Boisse. The royal homecoming titles were bestowed upon the charming James Kadesch and the lovely Kayla DiTommaso. Despite all of our academic fervor and S.A.T. anxieties, our class's resiliency shone through our extracurricular and athletic achievements. Our Blue Devils beat Fitchburg's Red Raiders at the Turkey Bowl on Thanksgiving. The drama department of Leominster High School staged three junior class plays. "The Professional," "The Guest of Honor," and "The League of Semi-Super Heroes" were all great hits. The musical was the classic love story "Guys and Dolls" and starred many of our fellow classmates. Our junior prom, was a glamour-filled, hollywood-themed affair, and much fun for all. While this excitement was churning within the walls of L.H.S., many important events were played out in the world around us. President George W. Bush took the reins our country for the second time, beating John Kerry in the Presidential election. The Red Sox beat the curse, winning the world series against the Yankees. June finally rolled around and we eagerly embraced our new role as the top dogs at L.H.S.

Senior Year

In August of 2005 our class returned to Leominster High School as seniors. Everyone spent the year trying to adapt to the idea of small schools. Leominster High was split into five different schools. The schools were lead by Headmasters Mr. Vilatico, Mrs. Harter, Mrs. Chesson, and Mrs. Baker. They were disciplined by Deans Mr. Ordway, Mrs. Stillman, and Mr. Coughlin. Soon after the school year began we elected our class officers for our last year. Our president was Zack Callahan, Vice President was Danielle Colton, Secretary was Danielle Boisse, and Treasurer was Nidia Fevry. Our homecoming court members were Kelly Edwardsen and Nick Beaudoin and the King and Queen were Ben Gallant and Niki DeSimini. Our class enjoyed senior breakfast, showed our school spirit at the Thanksgiving Day rally, and took memorable class pictures. At the Thanksgiving Day game our Blue Devils defeated the Red Raiders for their second year at Crocker field. Senior year brought many deadlines to the students, including college applications, senior pictures and cap and gown measurements. It was both a hectic and exciting year. Mid-year it hit us that senior year was quickly coming to an end. The class of 2006 will all cherish the memories we have made during the last four years, and we will never forget the classmates that we have lost along the way.

Nicholas Paul Cucchiara

When tomorrow starts without me
and I'm not here to see...
If the sun should rise and find your
eyes filled with tears for me

I wish so much you wouldn't cry
the way you did today
while thinking of the many things
We didn't get to say

I know how much you love me
as much as I love you
and each time you think of me
I know you'll miss me too

But when tomorrow starts without me,
Please try to understand...

That Jesus came and called my name
and took me by the hand

And said my place was ready
In heaven far above
and that I'd have to leave behind
All those I dearly love

So when tomorrow starts without me
Don't think we're far apart
for everytime you think of me,
I'm right hear in your heart

R.I.P. Nicholas P. Cucchiara
Love your little sister,
Brianna

And life is a journey,
A long book of stories,
With chapters,
In which we exist.

And as we wrote our pages,
We wrote them together
With memories and laughter,
We wrote - me and you.

And our words were so beautiful,
Summer days and winter nights
We cried together in the darkness,
We laughed together in light.

And you were our joy,
Our strength from day to day.
You took our hearts with your comfort,
You've helped us along the way.

We've walked together this far,
And with you we've been able to learn.
Our stories have collided,
And the pages continue to turn.

We were from the beginning,
And will be 'till the end,
All of us together,
Forever three best friends.

Love your bestest friends,
Karina and Whitney

This is the IM Rap
I'm doing butterfly
I've got water in my eye
Then I start to choke
I've got water in my throat
Now I'm on my back
I'm really on track
Pulling past the flags
Swimming over all the drag
Pull and breathe and kick and glide
I feel like I'm on a slide
This is the test I'm doing breast
Can't take a rest
Cuz I want to do my best
Yo Yo hear me
I'm on my last lap and I'm doing free
Kicking and Pulling and coming in Strong
Everyone's helping me by cheering me ON

Classic Activities

Junior Prom

"A Night Amonst Star"

The Most Spectacular event of our Junior Year was April 2, 2005. Nearly the whole class gathered together at the Best Western Hotel for our Junior Prom. The ballroom was filled with extravagant decorations. The tables were set with enscribed glasses and silver picture frames. We danced and laughed the night away, while leaving with memories that will last us a life time.

Homecoming

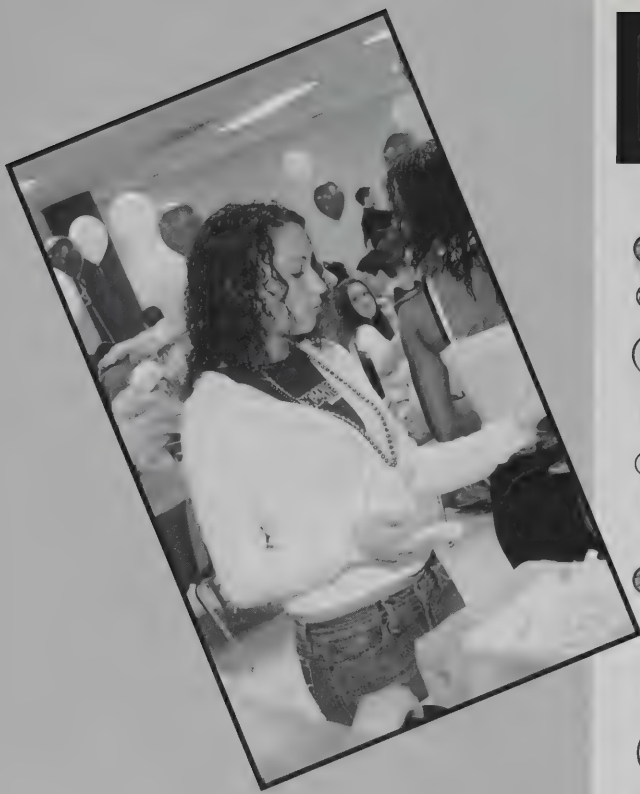

On Friday October 18, 2005, Leominster High School held the homecoming festivities at Doyle Field. During halftime, the crowning of the King and Queen started off the ceremony. The crowns were received by Ben Gallant and Niki Desimini. The court was made up of Seniors Kelly Edwardsen and Nick Beaudoin, Juniors Nicole Weaver and Thomas O'Leary, Sophomores Kate Bumpis and Pat Mullan, and Freshman Eliza Shirazzi and Dave Arsenault.

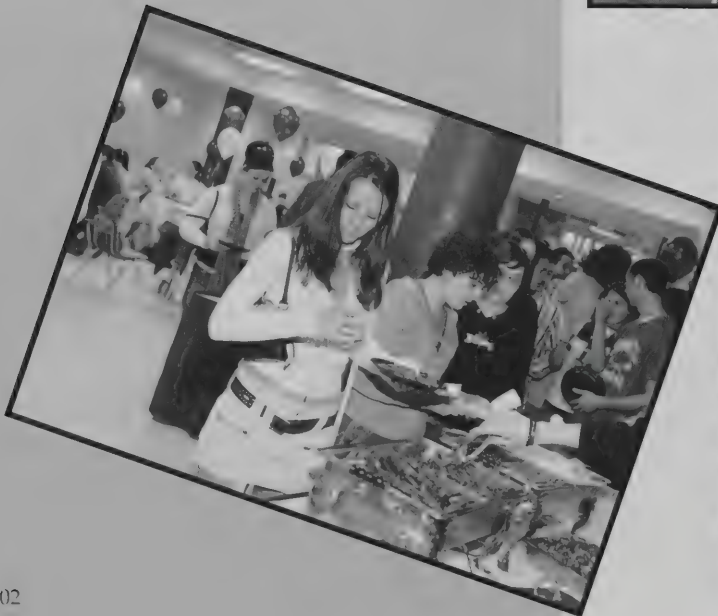

Senior Breakfast

On Tuesday morning, November 22, 2005, our annual senior breakfast took place in the cafeteria. Among those in attendance were the Senior class, faculty, and our All-Star football players. We all enjoyed a delicious breakfast including eggs, bacon, sausage, homefries, danishes, and muffins that were prepared by the Culinary students and faculty of CTE. After enjoying breakfast and much socialization everyone made their way inside the wooden gym for our infamous Thanksgiving Day Rally.

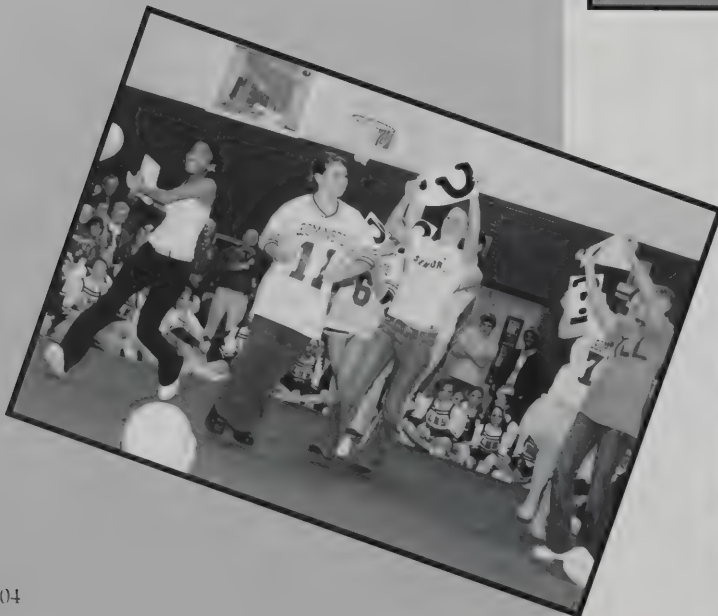

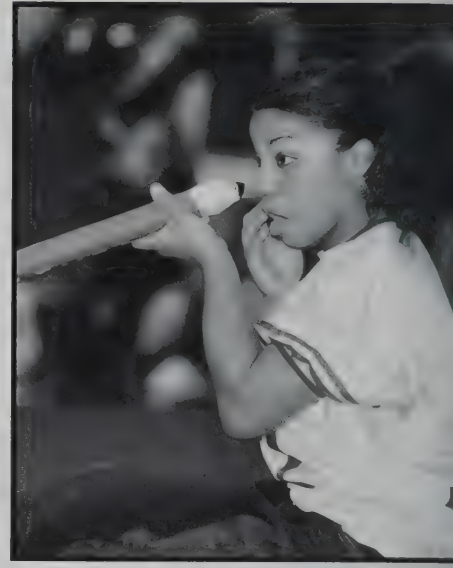

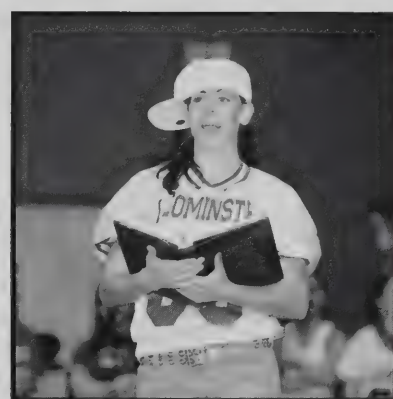

Thanksgiving Rally

On the Tuesday before Thanksgiving the class of 2006 presented the best and most memorable rally yet. The fans came in and were blown away by the hysterical skits done by the mock football players and cheerleaders. The senior moms, the band, and the cheerleaders gave an entertaining performance that rocked the gymnasium. Balloons, flowers, and gifts were handed to the football players as they were introduced and Mr Arthur Shapland was the lucky recipient of the fan of the year award. Everyone watched with great delight as the Blue Devil danced circles around the Red Raider. The gym was filled with eager fans waiting for the win that was to come just two days later as the Devils burned the Raiders 20-6.

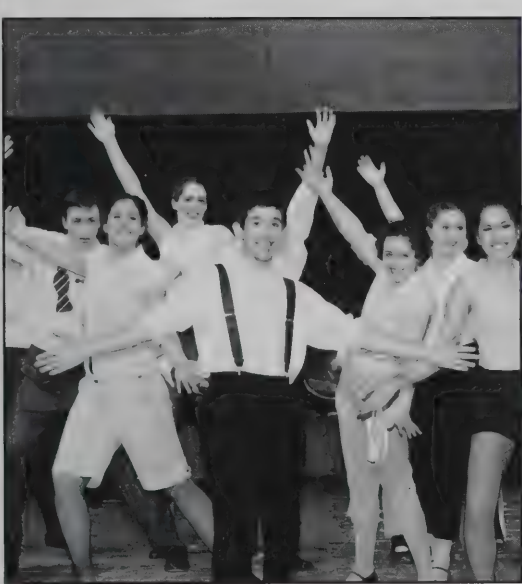

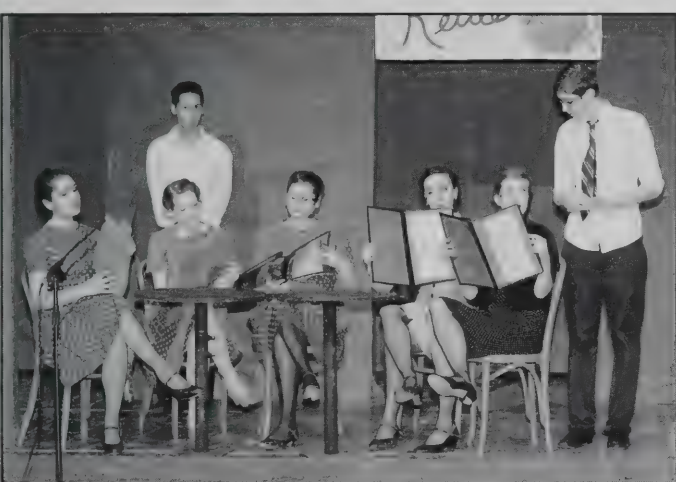

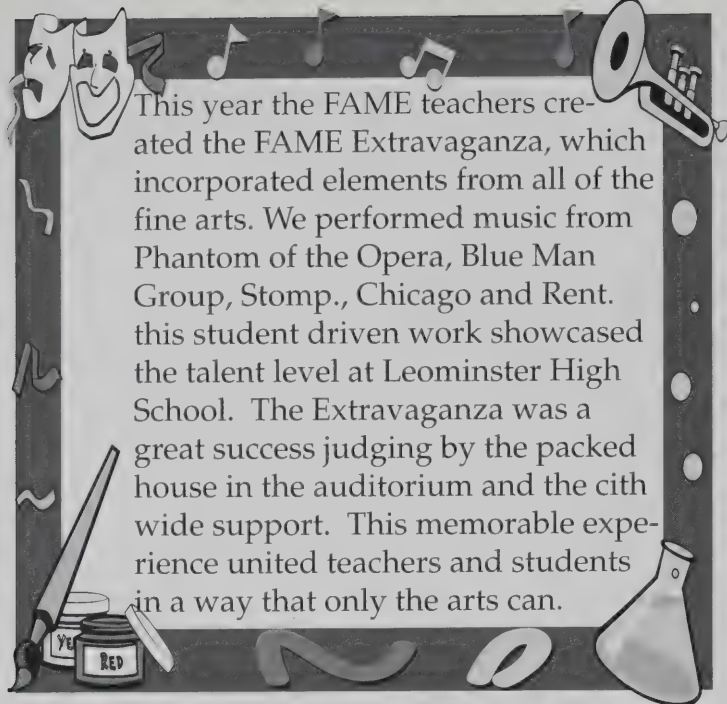

42nd Street

On December 10 & 11 the Fine Arts and Drama Club presented the fabulous Broadway Musical 42nd Street, Produced by Mr. Barry Lew, and Directed by Miss Andrea Mastroianni. The musical was directed by Mr. Barry Hudson and Mr. Bob Landry, choreographed by Miss Michelle Drury, and aided by an excellent set and stage crew. The results were memorable. The Production starred seniors, David Prescott as Julian Marsh, Jessica Levasseur as Peggy Sawyer, Sara Cormier as Dorothy Brock, Ian Randall as Billy Lawler, and Courtney Basset as Maggie Jones. Supporting cast: Marissa Monteiro, Amelie Bail, Kira Lew, Paul Wolfe, Ed Rivera, Melanie Tata, and Julian Kronick. Leominster High School's theatrical standard of excellence continues.

This year the FAME teachers created the FAME Extravaganza, which incorporated elements from all of the fine arts. We performed music from Phantom of the Opera, Blue Man Group, Stomp., Chicago and Rent. this student driven work showcased the talent level at Leominster High School. The Extravaganza was a great success judging by the packed house in the auditorium and the cith wide support. This memorable experience united teachers and students in a way that only the arts can.

Classic Faculty

Dear Class of 2006,

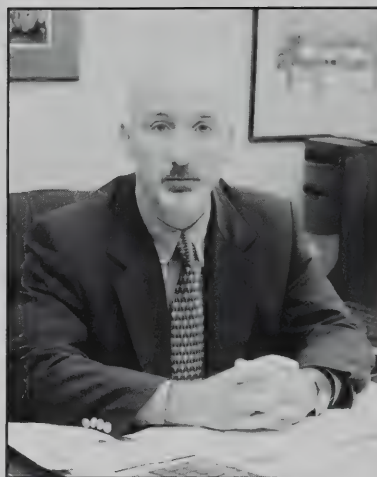

Congratulations on successfully completing a quality educational experience at Leominster High School. The Class of 2006 has led our school by supporting our long held traditions and embracing new ideas. Your class has proven to be thoughtful and reflective through our change process.

I am amazed at the speed and efficiency in which the Class of 2006 responded to the destruction caused by Hurricane Katrina. You quickly organized and led a fund-raising effort that produced over \$5,000 dollars for hurricane victims. Your dedication to humanitarian causes speaks volumes about the Class of 2006.

In addition, your class has distinguished itself in the area of community service. Service programs like our Community Service course have grown substantially under your leadership and commitment. There is a strong community/school relationship that has flourished during your four years of high school. I encourage each senior to bring your commitment to community with you wherever you go.

Remember, you are always a Blue Devil no matter how old you get. Please remain involved in Leominster High School as active alumni. Thank you for what you have added to our school and good luck in the future.

Sincerely,
Dr. William I. Hart

Pigpile!

The 2005-06 Leominster High School Varsity Football Team had a very successful season finishing with an overall record of 6 wins and 3 losses. Led by head coach John Dubzinski and senior captains Gregory Charpentier, Derek Craig, Anthony Calabro, and Jonathan Penning members of the team showed great dedication, stamina, and pride. Thanksgiving morning, even the freezing cold and snowfall could not stop the determined Blue Devils in beating Fitchburg at Crocker Field for the 2nd consecutive year. With a victorious 20-6 final score turkey couldn't have tasted any better! Overcoming the doubts of many, the Blue Devils made it all the way to the superbowl. Despite their best efforts they fell 1 point short to the undefeated Longmeadow Lancers with a final score of 21-20. Unfortunately the score of the game did not portray the extraordinary abilities of our team, for it seemed Leominster truly deserved the win. Leaving everything on the field the boys walked away with dignity knowing that each of them did their absolute best. With many talented underclassmen in the ranks next season looks promising.

The overall record for the male runners was 4-9, while the females ended the season 5-7. Most runners established personal records on their 2.8 mile home course. Lauren Croteau was only the 3rd female runner in Leominster High School history to break 19:00 at the district meet, her record being 18:56. Jon Hoyt and David Jennison were this year's league all-stars. The MVP awards went to Lauren Croteau and Jon Hoyt. The MIP awards went to Juliana DiMarzio and Adam Hemingway. In addition, Christine Bettencourt received the Coach's award. As a result, the team continually improved as the season progressed, and next year looks promising, as many veterans will be returning.

This years Field Hockey team was made up of a strong senior class that lead them to an outstanding season with an overall record of 8-9-1, and a League record of 6-6. They ended with an excellent performance, winning their last 5 out of 6 games. Unfortunately for the second consecutive year in a row, they fell one point short of making Districts. The team was led by Captains Jill Powers, Ashley Tufts, Amanda Scola, and Natanya Zadek. The top leading scorers for this year were Jill Powers with 10 goals/3 assist, and Ashley Tufts with 5 goals/1 assist. Natanya Zadek finished the year with 189 saves, making her overall total an amazing 443 with 6 shutouts. Jill Powers leaves the team scoring total of 39 goals and lending 22 assists. As for next year, it looks promising with a fierce underclassmen line-up.

The 2005-2006 Indoor Track team, lead by Captains Travis Marcoux, Adam Hemingway, Logen Ryley and Kim Breton had an outstanding season. The teams boasted a roster that was almost double what it has been in recent years. The seniors left a lasting impression on the new members, showing them what track athletes are made of. Leading point scorers Jon Hoyt, Travis Marcoux, Adam Hemigway, Logen Ryley, Lauren Croteau, and the girls freshmen Mile Relay team helped to gain the team valuable points. At the MIAA Division I State Championship, Lauren Croteau placed 22nd in the 2 Mile, Chris Grubel placed 19th in the 300m, and Jim Leader placed 14th in the 1 Mile. Special thanks to Coaches Moryl, Sacramone and Dufour, for their encouragement and motivation during the season. Best wishes to the next years runners !

BOYS' BASKETBALL

The 2005-2006 Varsity Boys Basketball Team can best be described as determined, hard-working, and physically tough. The successful 9-11 record is a tribute to the five seniors who lead the team to great victories over arch rivals Fitchburg, St. Bernard's, Wachusett, Marlboro, and St. Peter Marion. Led by co-captains, Seniors Jeremy Levesque and Jon Rodriguez, the Blue Devils enjoyed playing in front of boisterous home crowds and introduced the Blue Inferno student section; a tradition to continue in the years to come. Special thanks to Jordan Lajoie, Willie Cousins, and Dan Antonio, who round out the class of 2006. Coach Dubzinski thanks all eleven players for their daily effort and wishes the seniors well in their future endeavors.

GIRLS BASKETBALL

The 05-06 Girls Basketball Team had a fantastic season. They displayed an outstanding effort and ended with a 17-4 record. Led by Coaches Chris Young and Jim Oxford, and team/senior captains Jill Powers, Amanda Scola, Kaylin Burke, Alexandra Smith, and Ashley Tufts, the devils faced their opponents with perseverance, skill and dedication. The girls took second place in the Mid-Watch League and made it to the playoffs, where they unfortunately fell to the Shepherd Hill Rams. It was a tough loss, but overall they had a remarkable season. For the awards, Jill Powers and Kaylin Burke received MVP, Amanda Scola was given MIP, and Alexandra Smith and Tristan Peasley received the Coaches Award. As for MVP on Offense, it was given to Amanda Levasseur, and Ashley Tufts and Jordan Storro took home MVP on Defense. The Lady Devils are looking forward to upcoming players to continue the legacy of devoted girls basketball; the five graduating seniors wish them the best of luck.

GOLF

The 2005 LHS Golf Team led by co-captains Sophomore Ben Cauley and Junior Anthony Ullo had a highly successful season finishing with a record of 12-4. The team placed 2nd in the League Tournament which qualified them for the District Tournament where they placed 3rd. The highlight of the season was placing 13th in the State Tournament against 102 other high school teams. This is the first time the team has made it to States since 1999. Team Awards went to Richie Powers, MVP; Mike Rivard, Most Improved Player, and Doug Crouteau, Coach's Award. Because of the fact that there is only one senior on the team, it is easy to assume that the team can only increase its staying power for next season.

WRESTLING

This years wrestling team was led by Head Coach Ben Algarin, assistant coach Travis Hart and team captains Kevin Seymour, Tony Mastrapasqua, and Mike Mastrapasqua. The 2006 LHS Blue Devil Wrestling squad put forth a tremendous effort every meet they went to. Although the effort was there and the Blue Devils wrestled very tough throughout grueling practices and a tough schedule they did not produce a winning record. However the team's record did not represent the hard work and learning experiences they shared together during the season. Although this season was tough due to low numbers and inexperience, there is a positive outlook for next years team headlined by the young yet knowledgeable coaches Travis Hart and Ben Algarin and returning captains Tony and Mike Mastrasqua.

The '05-'06 Blue Devil hockey team, one year after missing the playoffs by a single point, came into the season with modest expectations. They proceeded to shatter the expectations by making it all the way to the CMass Division 3 semi-finals. The Devils were led both vocally and on the ice by senior captains Jonathan Gendron and Josh Zarrella. The defense was feisty and gave opponents few opportunities to score on junior goalie Mike Gentili, who had a stellar season in net. The Devils featured a relentless offensive attack. Super-sophs Cam Maillet, the team's points leader, and the hard-nosed, speedy Neil Gaudet, led the youth movement. Sniper Ryan Kilroy led the team in goals, while stellar stickhandling of fellow junior Bobby Housser led to some pretty scores. Senior Doug Croteau also had a fine season on offense. The Devils had their highs (such as a last-minute comeback tie against rival St. B's) and lows (a last-second loss to St. Peter's Marian's), but finished with a perfect 10-win record to capture the Roy Conference banner and finished as the fourth seed, 14-4-2 overall in the regular season. In the playoffs, the Devils beat Gardner 3-2 on an overtime goal by Tim Dube in round one, then Gendron's fine performance and Kilroy's two goals led them past Hudson, 5-2. The season came to a sudden halt in the semis at the hands of the Fitchburg-Monty Tech Bulldogs, as the Devils were stopped by a spectacular shutout by goalie James Prentiss. Still, the Blue Devils have to see this season as a successful one, and though the seniors will be missed, the young Devils have a bright future ahead of them. Season awards: Most Valuable Player: Ryan Kilroy, Most Improved: Brian Bourgeois, Coaches' Award: Jonathan Gendron. Congratulations on a terrific season!

Student Council

Student Council is a very influential club at Leominster High School. They are in charge of running school events such as the winter carnival, the annual pep rally, and meet for a treat that promote school spirit. At the same time, the council makes contributions to the community through programs like the canned food drive, toys for tots, and fundraisers like this years donation to the Red Cross in response to Hurricane Katrina. Student Council also promotes leadership skills in members through conferences like MASC and CDMASC in order to help elected members better represent their class and school.

A person is seen from behind, walking away on a path that is partially covered in snow. The path leads into a dense forest of evergreen trees. In the background, there are snow-capped mountains under a cloudy sky. The overall scene is serene and wintry.

*Blessed is the man
Who walks not in the counsel
of the ungodly.
Nor stands in the path of sinners,
Nor sits in the seat of the mockers,*

*But his delight is in the law of the LORD,
And in His law he meditates
day and night.
He shall be like a tree
Planted by the rivers of water,
That brings forth its fruit in its season,
Whose leaf also shall not wither;
And whatever he does shall prosper.*

*You have made your dad and mom proud!
I will continue to pray you will always put
God first in your words, conduct, and plans,

Simple Kind of Man

By Lynard Skynard

*Mama told me when I was young
Come sit beside me, my only son
And listen closely to what I say.
And if you do this
It will help you some sunny day.*

*Take your time...
Don't live too fast,
Troubles will come
and they will pass.
Go find a woman
and you'll find love,
And don't forget son,
There is someone up above.*

*And be a simple kind of man.
Be something you
love and understand.
Be a simple kind of man.
Won't you do this for me son,
If you can?*

*Forget your lust for
the rich man's gold
All that you need is in your soul,
And you can do this if you try.
All that I want for you my son,
Is to be satisfied.*

*Boy, don't you worry...
you'll find yourself.
Follow your heart
and nothing else.
And you can do this if you try.
All I want for you my son,
Is to be satisfied.*

You are the son we never had. We could never be more proud of anyone. We will never forget the great times we had when you were little. Swimming, sleepovers and cheese macaroni!

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.

RISE FROM THE STORMS

Thousands of Louisiana evacuees receive shelter and medical care in the Astrodome in Houston, Texas.

Louisiana Governor Kathleen Blanco, President Bush and New Orleans Mayor Ray Nagin survey the damage in New Orleans.

Many animals left behind during evacuation are rescued and given shelter or reunited with their owners.

Homes across the country are opened to families left homeless in the wake of Hurricane Katrina.

Thousands of volunteers help Habitat for Humanity rebuild homes in Louisiana, Mississippi and Alabama.

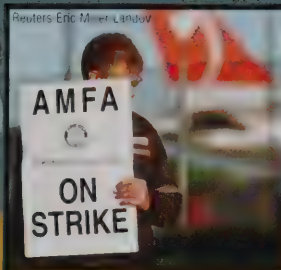

Three months after Katrina strikes, the first New Orleans public school reopens on November 28.
